Course Care Program

For those of you who don't know, we have created a course care program for all of the Men's Club events and are humbly asking for everyone's participation in order to keep the course in the best shape possible.

Basically, we will be assigning each flight a set of holes for each event. We are asking each player in every flight to **repair 1 extra ball mark and fill one extra divot** (in addition to their own), on each of the holes that their flight is assigned.

If you are walking and don't have sand, please repair 2 extra ball marks. On par 3's, you can either fill a divot on the tee box, or repair 2 extra ball marks. Feel free to do more on your assigned holes **as long as it does not affect your pace of play.**

Here are the Course Care Hole Assignments for the Club Championship:

Championship Flight:	Holes 1, 2, & 3
Flight 2:	Holes 4, 5, & 6
Flight 3:	Holes 7, 8, & 9
Flight 4:	Holes 10, 11, & 12
Flight 5:	Holes 13 & 14
Flight 6:	Holes 15 & 16
Flight 7:	Holes 17 & 18

Extra sand can be found on the 10th tee, and feel free to ask the Player Service staff for extra bottles of sand before you tee off.

We thank you in advance for your support of the program and your help keeping the course in the best condition possible.
